Yes! And also please add all of Section 5 in T75, R1E.

Thanks very much for checking it over and catching that! That's why I emailed that whole package, because I tend to make mistakes with this type of exercise, so it is great to have that QCI

HI Valois,

I am working thru the description as well as the depicted boundary. Can you verify this description for Section 4 inclusion in the Dewey-Burdock Area? By the depicted boundary I am wondering if it should be the W1/2 of the W1/2

T7S, R1E

Section 1

Section 2

Section 3

Section 4: E½; E½NW¼; E½SW¼

Section 10

Section 11

Section 12

Section 14: NW¼; N½NE¼; SW¼NE¼

Section 15: N/3

The Dewey-Burdock UIC permit area is located in Townships 6 and 7 South, Range 1 East.

I need to do a little work to provide the Section descriptions down the quarter/quarter sections, but this info tells us there are at least 5 townships (30 miles) between the two sites.

Ryan, Valois and John,

Could you map the trust land listed below in the LSV tool?

Ex. 5 AC/DP

Please let me know if you need any other information. For example, the information provided below is in the township/range format, including specific lots. It's not GIS coordinates. Not sure if we can get those coordinates from DOI or not. Hopefully this will be enough to map it, but let me know if we need to do some more digging.

Hi Tony -

We're looking forward to our call with you next Wednesday 10/17 if this time works on your end. We're envisioning a pretty general discussion – primarily aimed at creating an opportunity for our offices to meet and share some information on projects/legal issues in which our respective agencies might have an interest. Here are some initial thoughts on a rough agenda for the call. Please feel free to add or edit:

122

- EPA Region 8 Office of Regional Counsel introduction and information
- DOI Solicitor's Office introduction and information
- General Discussion of projects/legal issues that might be of common interest
- Wrap up and any follow up items (eg., list of attorney contacts for our offices, plan for future calls on specific issues/projects, etc.)

On our end, we plan to have on the line:

- KC Schefski, Regional Counsel
- Brian Joffe, Deputy Regional Counsel
- Lucita Chin, Staff Attorney
- Mike Boydston, Staff Attorney
- Erin Perkins, Staff Attorney
- Mai Denawa, Staff Attorney
- Paul Logan, Staff Attorney
- Kimi Matsumoto, Staff Attorney

Thanks!
